

Alice Model Nursery School

Course Title

Understanding the world through meaningful experiences.

Open Afternoon:

Exploring ways in which learning can be addressed in a meaningful context to the child.

Help children to make sense of the world around them.

Give real-life context to support learning through play.

Target Audience

This training is suitable for all Early Years and Foundation Stage practitioners and Students.

Course Objectives

- to demonstrate high quality learning opportunities which have developed through real life experiences.
- to understand that children respond to developing their interests in all curriculum areas through real life experiences. Enabling the children to develop as active learners.
- To share examples of ways in which this has developed including parental
- Explore Forest School experiences which can be created in the outside classroom.
- engagement within the nursery.

Course Outcomes

Practitioners will observe Early Years staff

Proving strategies to help extend children's learning through high levels of engagement.

Supporting children with practical ideas to develop exciting, enabling environments.
